

CATÁLOGO

cappa 

[cappa.com.mx](http://cappa.com.mx)

The background of the entire page is a dark blue color with a subtle, vertical wood grain texture. The grain lines are slightly darker and run from top to bottom, creating a sense of depth and natural material.

The background of the entire page is a close-up, top-down view of a stack of cut logs. The logs are of various diameters and are stacked in a somewhat irregular pattern. The wood grain is clearly visible on the circular faces of the logs, showing concentric growth rings. The colors range from light tan to dark brown, with some logs showing signs of weathering or decay. The lighting is somewhat dramatic, with shadows between the logs, giving the stack a three-dimensional appearance.
